READ—

Government Order No. 2484-2569—C. B. 178-46-1, dated 27th November 1946, constituting a Committee to examine the adequacy or otherwise of the existing scales of pay of the subordinate executive and the ministerial (non-gazetted) and inferior service of the several departments of Government.

ORDER NO. FL. 1155-1224—S. & A. 34-47-2, DATED BANGALORE, THE 14TH AUGUST 1947.

This Committee has since submitted its report to Government and it is now under their consideration. The final orders of Government in this matter are expected to be issued by 15th September 1947 and it is proposed to give effect to the decisions on the recommendations of the Committee with effect from 1st January 1947.

2. Some of the non-gazetted officers of Government have since represented that they may be given one month's pay as advance against the credit they may be entitled to when the new scales of pay are brought into force. Government agree to this proposal and they are accordingly pleased to direct that an advance of one month's pay as it stood on 1st August 1947 be paid to all non-gazetted servants in the State including Railway employees. This amount will, in due course, be set off against any arrears of pay that would accrue by giving retrospective effect to the revised scales of pay.

3. In respect of daily rated staff, wages as on 1st August 1947 may be taken as pay for the purposes of calculation. In the case of piece-workers, the average earnings of July 1947 may be adopted on the assumption what they would have got if they had earned wages for all the working days.

4. For purpose of calculating the amount of advance, the term pay may be taken to include substantive pay, temporary pay and acting allowances.

5. The Comptroller and the Deputy Commissioners of Treasury Departments are requested to give immediate effect to the above proposals, the amount being permitted to be drawn on A.C. bills.
